STA Families,

That's right, we're back! And there will once again be Golf Balls dropping from a helicopter for a chance to win \$5,000 and support catholic education! One golf ball costs \$50!

STA's annual fundraiser "*Celebrating Faith and Fundamentals*" has been set for November 6th at Walnut Hills Country Club to support St. Thomas Aquinas School. As in previous years and much success, the money raised from this event will help support our children's school.

This event will proudly feature golf balls dropping onto the 18th hole for a chance to win \$5,000.....and we need your help to make this a success in reaching our goal of selling 500 balls!

Here's how:

- Buy a golf ball - fill out the order form below and return it to school with your payment. Lucky tickets can be picked up at the STA office.
- Sell a golf ball - reach into your network of family, friends, neighbors, co-workers and let them have a chance at winning \$5,000
- Sell a "foursome" - that's right, put a team together that can share the cost of the ball AND the winnings.

With every family chipping in....we can make a difference for STA!
